

Mission Critical Wireless

Mobilizing Your Enterprise

Your source for end to end Wireless Data Support

Sales Support Services for Carriers

Onsite or telephonic services and support for your wireless data B2B customers

MCW works with your B2B and retail sales team to establish the needs and expectations of their customers. We maintain a dedicated sales line for your Wireless B2B/Retail Groups between 8am-5pm CST.

- The Mission Critical Wireless' Professional Services Group acts as a resource to the B2B and retail sales team for:
 - Any device questions related to feature set, capabilities and what device(s) work best for what vertical market. *Want the latest spec sheets?*
 - Technical questions concerning wireless data devices and applications.
 - Enterprise solution expertise for BlackBerry, Good, Nokia IMS and Activsync
 - ROI (Return on Investment) research studies and data solution documentation.
 - Sales strategy, proposals and pricing help
- MCW provides recommendations and assistance such as
 - Helping your customers put a Mobile Device Management solution in place so more data devices and solutions can be sold.
 - Marketing, contest and solution evaluation
 - Participating on sales calls when appropriate (via conference call or in person if needed)
